The Senior Trip

On May 11, 1973, the Senior Class of CHS and their chaparones left for a full day of fun, on skip day. Did you miss us when you came to school and found it just about empty?

It really looked funny to see all the wide awake seniors gathering in front of the school around 4:00 a.m., with their blankets, pillows, food, and what ever else they could carry. Finally everyone was there and loaded, and we left about 4:30 a.m. We were off!

After one of the busses made a slight detour to Lambertson, we were under way again. We arrived at Killen Woods State Park at 6:45 a.m. for breakfast. We left at 8:45 a.m. after a little search for a couple of people (?). We arrived at the Grotto at 11:00 and we could look around until 11:30. It was very pretty and everyone had a lot of fun looking around.

We got to Lake Okaboji around 1:00 p.m., bought our tickets, and started investigating everything in sight and going on rides. We had all afternoon free. At 7:30 a boat loaded for a dance on the lake. The dance lasted until 10:00 p.m. A small group went roller skating instead. We left for home about 11:30. We tried to stop and get some food in Windom, but the Happy Chef must have seen our two busses coming and when we got there, they said they were closing. So we had to go without something to eat.

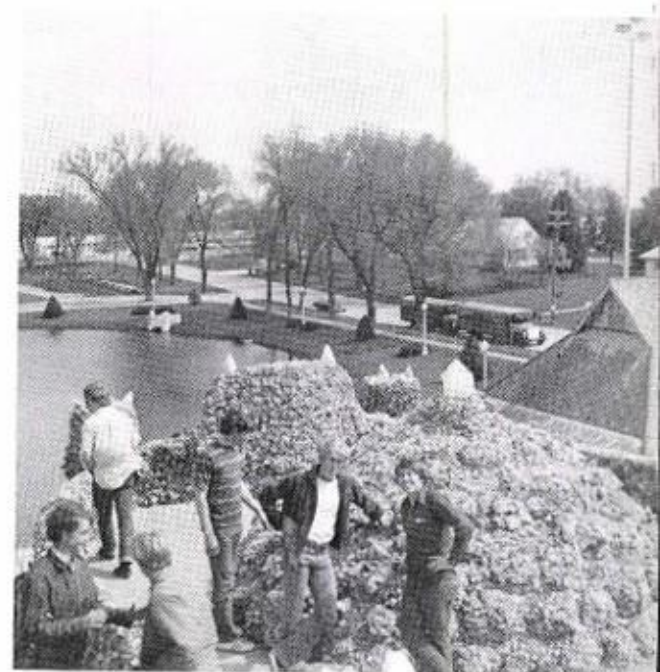

We got home early Saturday morning. The Class of '73 would like to thank all our chaparones and bus drivers for helping us have a wonderful and enjoyable time on our skip day. Thank you.

"Sale on Cotton Candy!"

"Seed Corn Convention!"

"Look at the Busses!"

"We're Off!"

BASKETBALL STATISTICS

We finished the basketball season with an 11 wins and 10 lost record. With a little more luck, I feel we could have won four more games.

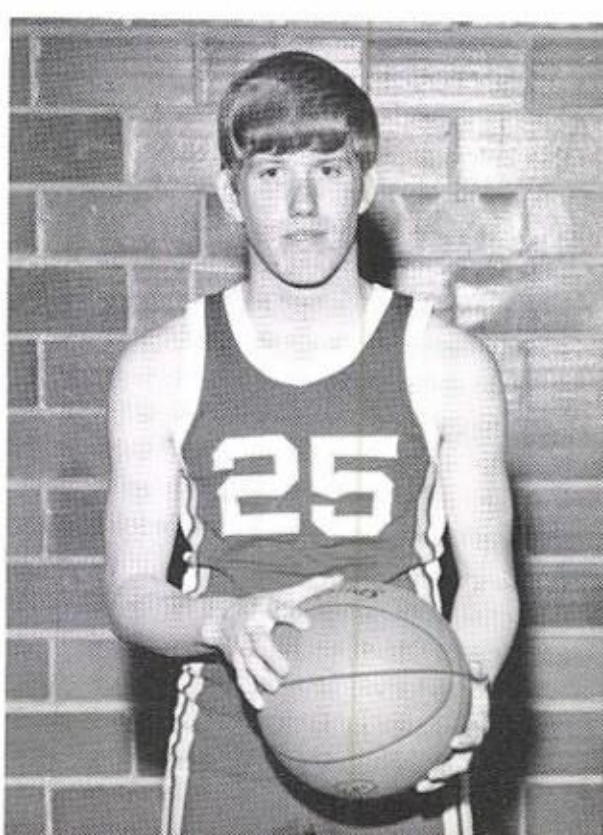

Defeating Ivanhoe and Hendricks for the Sub District 9 Basketball Championship was our major highlight of the season. We had no starters over 6' tall, yet we were the leading rebounders in 17 of the 21 games played. I feel this shows the desire and work that some of our players put forth throughout the entire year.

I found it a pleasure working with such a fine group of athletes and gentlemen.

Again year after year our school and community support was excellent.
